@jesusgranada99@gmail.com jesusgonzalezalvarez JesusGonzalezA
📍 Granada, Spain 📞 680806957 🎂 Year of birth: 1999

PROFESSIONAL EXPERIENCES

Associate Software Engineer

Unit4

📅 July 2022 – now

📍 Spain

Unit4 is a global enterprise that offers a software suite, including finance management, accounting, ERP, FP&A, HCM, and talent management modules.

- Accessibility: I am in charge of testing the ERP pages and fix the screens to achieve success in all WCAG criterias.

PROJECTS

LearnASL

Final degree project

📅 2022

Mark: 9.9 out of 10. App to learn American Sign Language. It includes a microservice that integrates a deep learning model in the application to validate users' videos. The users learn how to sign by doing questionnaires. It uses ASP.NET, React.js, Azure, Flask...
